

Saudi Oger Participates in Cityscape Dubai

Saudi Oger, a market leader in Construction, Operation & Maintenance; property development and investment, participated in Cityscape Dubai 2006, the region premier international property development and investment event, which was held from 4 – 6 December 2006 at the Dubai International Exhibition Center, UAE.

It is worth mentioning that Cityscape Dubai 2006 is the 5th international property investment and development event; actually it is the largest business to business real estate platform in the world and the most diverse with over 85 countries represented. The event is an annual networking exhibition and conference focusing on all aspects of the property development cycle.

Saudi Oger participation in this event of property investment and development, which is clearly the largest event of its kind, comes in line with Saudi Oger objectives as one of the great international market leaders in property development and investment projects, not only in Saudi Arabia but in other GCC and other countries in the world.

Mr. Mazen Fayed, Saudi Oger Group Corporate Communications Manager, said: " Although we are a renowned group, one of the largest and market leaders in construction, building, huge turn-key projects, contracting and property development and investment, the Cityscape Dubai 2006 gave us the opportunity to get in contact with other companies, Saudi and international, working in the same field and allowed us to discuss with them the latest development in property investment and show our strength to other businessmen.
