“Saudi Oger Sponsors "World down Syndrome Day”

Saudi Oger is sponsoring the “World Down Syndrome Day”, which is organized by the “Down Syndrome Charitable Association” (DSCA). The Down Syndrome World Association has designated March 21st to be an international day for Down syndrome for supporting world awareness and to renew the interaction and integration between people with Down syndrome and their communities.

The Down Syndrome Society representative in the Kingdom of Saudi Arabia, “DSCA” is seeking to exploit all opportunities to provide various quality services for people with Down syndrome, and promote social awareness to achieve fruitful interaction with the society.

To this end, “DSCA” is organizing the World Down Syndrome Day in Riyadh for a two-week period, from Wednesday, March 21, 2007 until Friday, April 6, 2007, which will cover a number of educational, awareness, and entertainment activities, in particular, competition for best portrait of Down Syndrome, competition for best brochure design of Down Syndrome, the festival “Come with us”, motorcycle demonstration and a number of lectures, sports games and entertainment activities.

Saudi Oger’s Sponsorship of World Down Syndrome Day activities come in line with the company’s continuous vision for solidarity and welfare of the society.
