## **OGER DUBAI: Wins a contract to build “Churchill Towers: in Dubai**

**Oger Dubai**, a subsidiary of Saudi Oger Limited won an AED 685 million contract to build the “**Churchill Towers**” in Dubai City. Oger Dubai was selected after a fierce competition with many large construction companies in the UAE.

“The project will be built on 235000 sqm, and consist of two towers (56 floors for the residential and 42 floors for the commercial & office spaces) the project meets different residential & Business requirements”, said Joseph Helou, Assistant General Manager for International Operations at the Saudi Oger Group..

He also added that the “Churchill Towers” is the first project for **Oger Dubai** in Dubai City, which will soon announce other new projects in the fields of construction, real estate development, and several other sectors. We are expecting to be one of the largest construction & real estate development Companies in the UAE.

It is well noted that Oger Dubai was established in 2005 with activities that covers Construction, Operation & Maintenance, and real estate development. Oger Dubai is a subsidiary of Saudi Oger group which is managed by **Sheikh Saad Rafic Hariri**.
