Saudi Oger wins the “Arabian Business Magazine” Award As the Best Construction Company in the Kingdom

Riyadh; May 29 2011; For the third time Saudi Oger is recognized as the Best Construction Company in KSA; in the Arabian Business Achievement Awards KSA 2011.

ITP group; publishers of “The Arabian Business Magazine” evaluates the performance of the best companies in Saudi Arabia and awards the top ranking for their Achievements in their related sector.

Shiekh Ayman Hariri - Deputy General Manager and Board member received the trophy on behalf of Saudi Oger; where he was acknowledged personally for his management and contribution in executing many of the most technically advanced Projects such as the King Abdullah University of Science and Technology and the Princess Noura Bent Abdulrahman University for Women north of Riyadh considered the largest female university for women in the world and recently handed over King Abdullah Road which is considered the first smart road in Saudi Arabia.

Sheikh Ayman Hariri thanked the Arabian Business for their efforts and said that “the Kingdom of Saudi Arabia is witnessing massive growth in the Business sector in General and the Constructions sector specifically due to the optimistic budget spending and the support of the government of the Custodian of the Two Holly Mosques King Abdullah Bin Abdulaziz that helped in financing and created job opportunities for young Saudi’s to excel in the different business sectors”.

Saudi Oger is one of the leading Construction & Facilities Management companies in the region; At Saudi Oger, there is an intrinsic understanding of the power that comes with the Corporate Social Responsibility, Saudi Oger established a training institute in order to enable the young Saudis to get professional training and diploma. It empowers capable and responsible students in the pursuit of academic excellence and provides academic programs that reflect institutional uniqueness. The Saudi Oger Training institution - SOTI offers five Schools; the Technical School, the Hospitality School the Construction School, Travel and Tourism School and the Continuous Learning School. Each carries its unique purpose and mission as it caters to the professional and educational goals of its students.
