### Saudi Oger Sponsors "Jeddah Festival 2009"

Under the auspices of Prince Khalid Al-Faisal Bin Abdul-Aziz Prince of Makkah, Saudi Oger is sponsoring the "2009 Jeddah Festival" which starts on July 16th 2009, organized by Ara Media Services.

The "2009 Jeddah Festival" is a high profile festival in the Western Province and is held yearly to promote tourism, sports, entertainment, cultural, educational and social events; dedicated to families; children, women, and men. This major event attracts visitors from different areas of the Kingdom and the region that would re-enforce Kingdom's identity as major player in tourism activities in the region.

It's worth mentioning that the "2009 Jeddah Festival" has extensive media coverage in the Kingdom and the Region.

Saudi Oger sponsorship of the "2009 Jeddah Festival" activities comes inline with its strategy and commitment towards effective and meaningful Corporate Social Responsibility programs that benefit and support National Festivals, and local communities.

#### **About Saudi Oger Ltd.:**

Saudi Oger, established in 1978 as a construction company in Riyadh, gained growth momentum with the founding of Oger International in 1979 in which Saudi Oger owns 99 per share equity.

Since its inception, Saudi Oger has grown into a multifaceted organisation with several subsidiaries and affiliates in Saudi Arabia and internationally. The company leads the construction sector in the region led by its superior technical expertise gained from overseas subsidiaries and the regional knowledge gained from several decades of hands-on experience. Saudi Oger has undertaken several prestigious and complex projects that utilize advanced engineering and construction technologies.

The Saudi Oger line of business covers Construction, Facilities Management, Real Estate Development, Printing, Telecommunication, Utilities and IT services. Saudi Oger works to meet the highest standards in client satisfaction through services that match international standards.

Saudi Oger is committed to increasing its market share through focused diversification, especially into telecommunication and utilities, through strategic alliances with national and international companies. The company aims to evolve as a recognised Utility Developer by also expanding into B.O.T and B.O.O.T businesses.
